EVERYDAY DEMOCRACY

AN E-NEWSLETTER FROM THE CITIZEN ADVOCACY CENTER

FREE WORKSHOP: GOVERNMENT MEETINGS 101

Have you ever attended a meeting for your town, county, school, library, or park district, and was not sure what was going on?

Have you ever looked for information on a government body website for meeting information and was confused?

Have you ever wondered why when people give public comment at meetings none of the public officials respond to the comments?

Join CAC for a lively discussion on the rules of the road for how government bodies operate, and where community members can have the greatest impact.
